

Energy Day
The Transformative role of renewable energy
Marrakesh, 11 November 2016
Session Guidance Note
Participants' logistics note

We are pleased to provide you with the following information regarding the logistical arrangements for the session *The Transformative Role of Renewable Energy* during the Energy Day.

Meeting location

COP 22/CMP 12 venue Bab Ighli, Room Atlantic, Area E
The Blue Zone

Time

The session will take place on Friday 11th November from 11.20 to 12.20 during the Energy Day (10.00 – 16.00).

Language

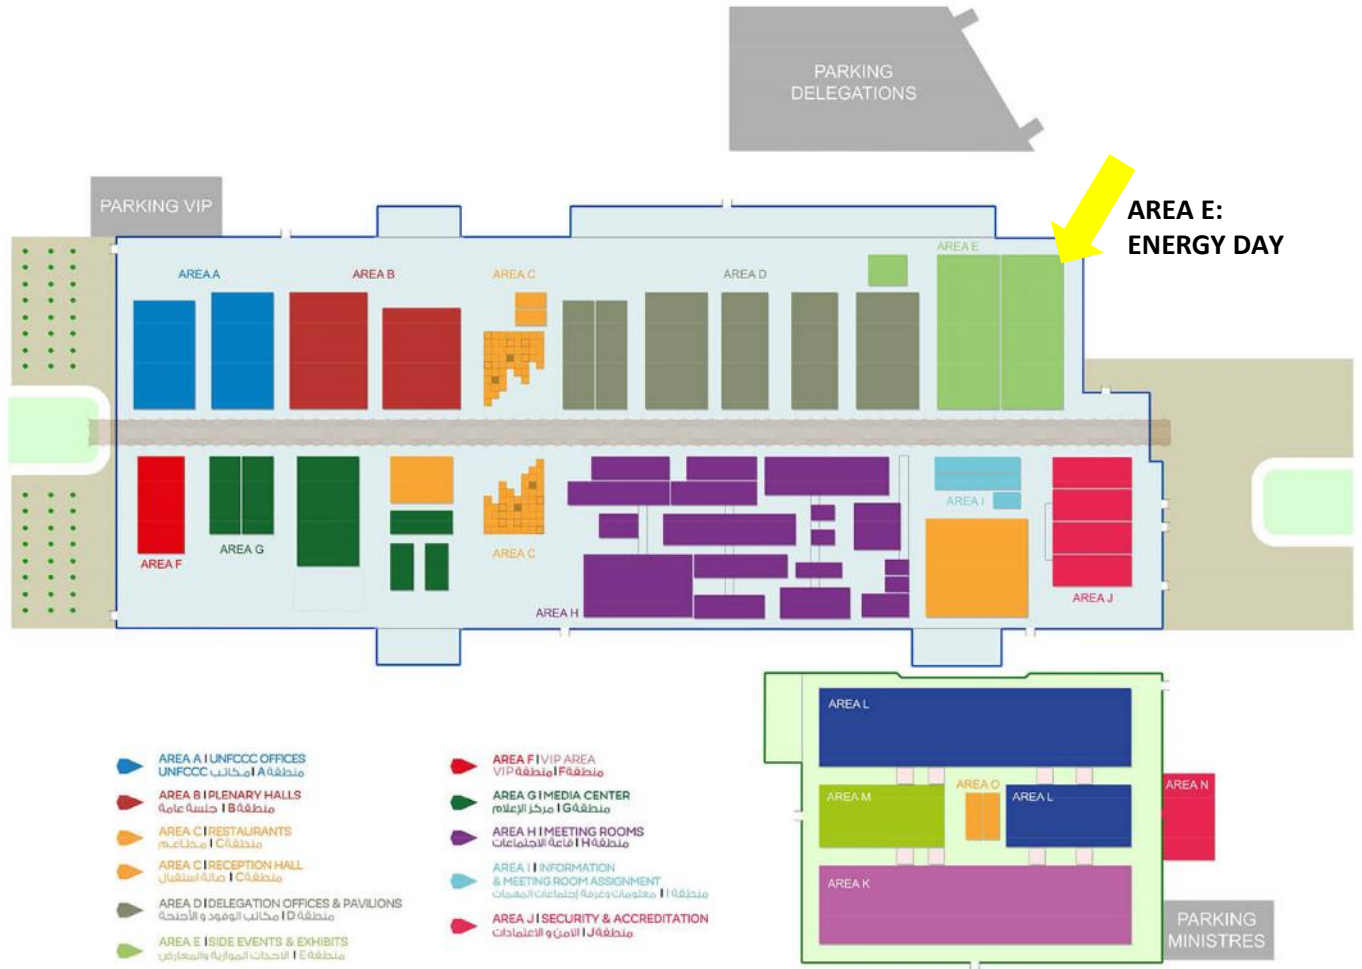

Simultaneous translation from English to French and from French to English will be available during the session.

Forum format

The aim of this session is to trigger a dynamic discussion on the role of renewable energy in the global climate action, showcasing key stakeholders who are leading the transition to a renewable energy future. The session will start with a Davos style conversation with three speakers followed by a series of one-to-one interviews to profile progress and innovative approaches across a wide range of technologies, sectors and geographies. We also encourage all participants to attend the whole Energy Day (10.00 – 16.00).

Contacts

The Energy Day team would be happy to assist with any concerns or requests prior to, or during the forum. For any information please contact Ms. Kathleen Daniel (Kdaniel@irena.org) Ms. Giulia Rosato (grosato@irena.org) or Ms. Elizabeth Press, EPress@irena.org.
